President's Report:

- B-Park snack shack is in the permitting phase. Design has been approved by the Health Department.
- Will be notified when the project is sent out to bid

Vice President of Baseball Operations Report: Nothing to report

Vice President of League Admin Report:

- working on reservations for clinics and teams doing summer/fall

Treasurer's Report:

- Nothing has changed since last months financials.
- Will send out bank statement in the morning

Secretary's Report: N/A

Member Reports

Director of Umpires: Nothing to report

Player Agent:

- Justin Templin is willing to run clinics. Here's what we think would work:
 - Clinics on Wednesdays and Thursdays from 6:00 - 8:00 PM at B1 from September 3-October 23.

- Four clinics: Catching, Pitching, Infield, and Outfield/Baserunning
- Cost: \$40
- Divided into two age groups: 7-9 and 10-12
- Max of 20 players in each clinic. Each clinic will run twice for each age group (so each age group can sign up for 8 total clinics). No minimum number of registrations needed.
- Justin will speak with Coach Tucker about getting Rancho players to help out, which would give them volunteer hours.
- Trish will put together a flyer and email the league 4-5 times in late July and August to encourage registration. We could send out a Peach Jar flyer to all the schools in mid-August if we wanted.
- Trish proposes that we give 50% of the clinic fee back to Justin Templin for the time and energy of running the clinics.
- David will talk to Justin about helping to do a younger age group clinic 4-6 year olds
- Trish makes a motion to provide Justin Templin with a flat fee to be determined after the 8 clinics are completed. Emily seconds. All in favor motion passes

Director of Scheduling: Nothing to report

Director of Equipment:

- Down to just a few coaches who have not returned equipment.
- All container locks have been changed.
- Need to clean out container at C2 since we will not be using it next year.

Directors of Concessions:

- All extra concessions are in the small container at B park.

Director of Social Media/Marketing:

- Continuing to post on social media about 11U regionals

Director of Fields & Facilities:

- Need 3 lawn mower batteries, need a gas power weed eater for B Park.
- \$13,000 for 3 new portable mounds
- For NOW: Trey will be buying batteries and weed eater

Team Parent Coordinator: Nothing to report

Director of Uniforms: **Event Coordinator:** Nothing to report

Director of Sponsorships: Nothing to report

Members at Large: Nothing to report

Division Managers: Nothing to report

New Business:

- Nominations

Old Business:

- Restructure of Majors manager term contract
- Additional field locations: H or G
- Staggering game start times next season
- Need to talk about coaching and staff
- Highlighted from last meeting minutes June 9th: Allowing kids to fall in a division that is more appropriate for their skill level? 53- 10 year olds drafted to AAA in 2025- Needs to be discussed sooner than later.
 - adding another team?
 - come with ideas to bring to our next meeting

- Ideas from non board members: Add more managers and teams to AAA at 8-10 yr olds. The American & National league is how they used to do it this way back in the day.
- Minors should be 11 & 12's.
- Ideas from David- open 10's and get the best 10's drafted for Majors
- Minors?
- AAA- All Star 8's?
- AA- open up to your best 7's and then 8 & left over 9's.
- Placement would be based on assessments.
- Would make each division more competitive- concern would be maturity.
- Managers can pick assistant coach staff before drafts?
